

## **SUMMARY:-**

- Assense of all religious wisdom is to leave "self" and consider "all" . Even consider small insect as your part. If you are hurt ,I will be hurt.
- The path to heaven goes through hell.
- Dedicate all your good and bad deeds to God. This will make you free from your deeds.
- The one who says "I don't need anything to learn". Understand that he is on a path of death.
- We can't even focus our mind on a single point for some time, then also we tell that we are independent.How?
- Learn from others but never loose your identity .Like seed sown in soil ,neither becomes soil nor water.But with help of them it becomes a tree.
- Try to learn from anything. last eg where we can learn from seed.

- Even a small task done with great passion can bring you great success.
- The one who is more selfless is more dear to god. Even he is fool then also lord Shiva likes him more than priest. The one who is more selfless is more religious.
